STATEMENT SHOWING THE RESOLUTIONS PASSED BY THE TIRUCHIRAPPALLI NORTH DISTRICT DEVELOPMENT COUNCIL DURING 1960 AND 1961 AND THE ACTION TAKEN THEREON BY GOVERNMENT.

Serial number and date, (1)	Gist of Resolution, (2)	Action taken by Government, (3)
1 5th March 1960.	Resolved to recommend to Government for the location of an Agricultural Depot at Chettikulam.	The question is being examined in Food and Agriculture Department in consultation with the Collector.
2 Do.	Resolved to request the Government to revive the old scheme of supplying iron tyres required for the country carts, spade and crowbars required by the agriculturists and to stock them in the Blocks for sale to the villagers.	All the 13 district and marketing societies have been registered as registered stockists at district level for distribution of iron and steel materials under the agricultural quota. The question of appointing sub-stockists at taluk and village level is under consideration.
3 Do.	Resolved to request the Government to take up maintenance of Ponneri tank and all channels from it by Public Works Department for carrying out the repairs to bring 1,000 additional acres under irrigation and to construct a sloping wall for a length of one furlong on both the banks of Ponneri channel.	In Memo. No. 2316J/60-9, Public Works Department, dated 23rd February 1961 the Collector has been informed that the channel will have to be repaired by ryots under Kudimaramath.
4 Do.	Resolved to request the Government to consider new channel from the Cauvery taking off above Jadderpalayam to feed Nagayanalur and other tanks in Musiri taluk and also other tanks in Udayarpalayam taluk and Perambalur taluk.	As the lands for which irrigation facilities are asked for lie on a higher cantour and as no more extension of ayacut undee Cauvery is desirable the request is not feasible.
5 Do.	Resolved to recommend to Government to take up the scheme of providing irrigation facilities from Adavathar east to Iriyinar from the New Kattalai High Level Channel.	The request is not feasible since the orders fixing the ayacut of New Kattalai High level channel have been issued and since any further extension of the ayacut is not possible.
Do.	Resolved to request Government to extend the electricity to the villages as the villagers are prepared to guarantee the minimum return required by the Department.	
(1) Thayanur	(2) Kumaravayalur Harijan Colony.	In Memo. No. 1802P/60-6, Public Works, dated 10th July 1962, the Collector, Tiruchirappalli, has been informed that the position

in regard to the extension of supply of electricity to the villages mentioned in the resolution of the District Development Council meeting, Tiruchirappalli North, held on 5th March 1960 is as follows:—

(1) Extension of supply to the villages Kumaravayalur, (Somara) sampettai, Thayanur, Pirattiyur, Palayam, Ladapuram, Ammapalayam and Elambur. The Licensee, Messrs. South Madras Electricity Supply Corporation Limited has reported that no requisition was received for extension of supply to the Harijan Colonies in Kumaravayalur and Somarasampettai villages where their supply mains already exist. Extension of supply to Thayanur will be considered when the Extension to Pirattiyur village materialises which has been included in the priority list for application for loans from Government if the parties agree to a 15 per cent return on the capital cost subject to the availability of funds and materials. Extension of supply to Palayam, Ladapuram, Ammapalayam and elambur villages have also been included in the priority list of the Licensee for loan assistance from the Government subject to the condition that the parties agree to a 15 per cent return on the capital cost and subject to the availability of funds and materials.

(2) Extension of supply to the other remaining villages:—As the areas of these Villages, viz., Avukkur, Neikuppai, Kanavar, Koneripalayam, Esanai, Senjevi, Alaribadi and Chockanathapuram have been ceded to the Madras State Electricity Board the Board has to be contacted for necessary further action in the matter.

7

Do.

To request the Government to restrict the water cess to Rs. 15 and Rs. 7—8—0 for I and II crops for the new tube wells in Jankondam taluk for the first and second crops.

The Government, Food and Agriculture Department, Madras have intimated in their M-mo. No. 66609/F.III/5. 60, dated 6th April 1961 that this suggestion is not acceptable as even the present system is not workable on a no-loss-no-profit basis.

8

Do.

Resolved to request the Government to convert the rural dispensary at Manachanallur into a Hospital.

In Government Memo. No. 67549 H3/61-10, Health, dated 16th January 1963 orders have been issued that the request for taking over the rural dispensary at Manachanallur and to run it as a Government Hospital will not be complied with.

9 5th March 1960

To request the Government to extend the Local Development Works Schemes for a further period of two years in areas where Community Development Programme has not been introduced.

The question does not arise now.

10 Do.

To recommend to the Government that Local Development Works schemes relating to school buildings, roads, etc., should also be sanctioned along with the schemes for the drinking water supply at least for the next budget year and that the provision for the compulsory contribution of 10 per cent by the people in such cases should be removed so as to facilitate Panchayats to undertake such schemes.

The question does not arise now.

11 7th May 1960

Resolved to address the Government to sanction the scheme of forming a new tank across Kallaridai near Visvagudi village in Perambur taluk, although it is somewhat costly and uneconomical as this is a backward area and starved for irrigation facilities.

The proposal was dropped in March, 1960 in view of the poor financial return and food production value. However the proposal of the Collector of Tiruchirappalli to reconsider the proposals in view of the fact that the scheme benefits a very backward area starved of irrigation facilities is under consideration of the Board of Revenue (Food Production).

12 Do.

To include the proposal of construction of an overbridge near Uthamarkoil on Tiruchirappalli-Salem Road in the Third Five-Year Plan, as suggested by the General Manager, Southern Railway, Madras and as the overbridge at Bikshandarkoil has already been included.

The overbridge required is in lieu of the level crossing at M. 4/8 of Tiruchirappalli-Salem Road near Uthamarkoil Railway Station. The rough cost of the overbridge and approaches would be Rs. 2 lakhs and 5 lakhs respectively. Due to the limited finance under the Third Five Year Plan, this work was not proposed under any scheme.

13 Do.

Including the work of forming a metal road from lower Anicut to Tirumalavadi on the bank of Coleroon in the Third Five Year Plan as it is an important road.

This is a bank road running on the left bank of the Coleroon river and is being maintained by Public Works Department as an earthen road. The length of the road is 30 miles and the rough cost for metalling would be Rs. 20 lakhs including construction of cross drainage—work being a canal bank road, the metalling has to be taken up only as a Government work under Highways Department. The work has not been included under any approved scheme. It will become important only after the causeway across Coleroon at Thirumannur sanctioned under Central Road Fund is constructed during Third

14 7th May 1960.	Resolved to recommend to Government to sanction an Industrial School for North Tiruchirappalli district.	Plan Period. The metalling is therefore, not urgent and it has to be considered during the Fourth Plan, It has been decided to establish 2 Industrial Training Institutes in Tiruchi district during the Third Plan period. Of the 2 Industrial Training Institutes mentioned above, one has been established at Ariyalur with effect from February 1962 and another is proposed to be set up at Tiruchirappalli in November 1962.
15 Do.	Resolved to address the Government to present the members of District Development Council a Tamil book containing the rules and regulations of the District Development Councils.	In Memo. No. 91301/L3/60-1, Rural Development and Local Administration dated 17th June 1960 the Collector has been informed that Tamil translation of the Act are not available for supply and as the Tamil translation has already been published in Fort St. George Gazette there is no need to supply copies to members.
16 Do.	Resolved to request the Government to sanction a regular bridge across Coleroon at Tiruvannamur instead of a regulator and a causeway separately.	The construction of a causeway at a cost of Rs. 14.00 lakhs has been sanctioned under C. R. F. allocations. The question of providing regulator-cum-bridge in lieu of the causeway was examined in consultation with Chief Engineer I and was found that it was not feasible. Hence only an independent road bridge, viz. submersible bridge at an increased cost of Rs. 33 lakhs is considered necessary for the site conditions. The Chief Engineer (Highways and Rural Works) has included this work in C. R. F. Scheme under the Third Plan. The draft scheme is under consideration of the Government.
17 7th July 1960.	Resolved to request Government to direct the Director of Agriculture to send power drills for putting down Artesian wells and sub-artesian wells in Jayankondam taluk.	As the Director of Agriculture is himself competent to send the power drills no directions were issued by Government.
18 Do.	Resolved to request Government to expedite grant of loan to the South Madras Electric Supply Co., Ltd. Tiruchirappalli.	In G. O. No. 2701, Public Works Department, dated 24th September 1960 a sum of Rs. 11,35,795 has been sanctioned to the South Madras Electric Supply Co., Ltd., for taking up the rural electrification works in Tiruchirappalli district during 1960-61.
19 23rd September 1960.	Resolved to request Government to sanction more exploratory tube wells in Sendurai and Jayankondam talukas.	The Government of India is being addressed to include in their programme the sinking of tube wells in Sendurai and Jayankondam talukas of Tiruchirappalli district in their Second exploration work in this State during 1963-64.

20 23rd September 1960.	Resolved to request the Government to introduce the benefit of Midday Meals Scheme to High School Students also.	In Memo. No. 106524 E Spl./92-, Education and Public Health Department, dated 29th November 1962, Collector has been informed that the suggestion is not acceptable to Government
21 Do.	Resolved to request Government to start a Polytechnic school in Ariyalur division.	The matter is under consideration of Government in the Education and Public Health Department.
22 Do.	Resolved to request Government to appoint Physical Education Teachers and Tamil Vidwans to all Higher Elementary Schools.	In G. O. Ms. No. 334, Education, dated 14th February 1961 orders have been issued for the appointment of Tamil Pandits in Higher-Elementary Schools with effect from the school year 1961-62. In G. O. Ms. 1057, Education, dated 11th May 1962 orders have been issued regarding the appointment of Physical Training Instructors in Higher Elementary and Senior Basic Schools under Private Management.
23 Do.	Resolved to address Government to form a railway line from Ariyalur to Salem through Perambalur Tiraiyur and Namakkal.	In connection with formulation of the Third Five-Year Plan this Government recommended the construction of the following new railway lines :— (1) Virudhunagar - Aruppukottai - Madukulathur-Kilakarai line. (2) Salem - Bangalore. (3) Manamadurai-Tuticorin. (4) Tirunelveli-Cape Comorin. (5) Chinnasalem-Chinglepet. (6) Theni-Gudalur line. (7) Salem-Truchi (via) Karur.
		The Planning Commission tentatively allocated funds for 1,200 miles of new railway lines during the Third Plan. As these 1,200 miles do not include any of the above lines, this Government after a sustained and careful scrutiny have urged the Government of India to take up the construction of at least the following for lines :— (1) Salem-Bangalore. (2) Virudhunagar—Aruppukottai—Madukulathur — Kilakarai line. (3) Manamadurai-Tuticorin line. (4) Tirunelveli-Cape Comorin line.
		The final decision of the Government of India is awaited.
		In the circumstances it is considered that no useful purpose will be served by addressing the Government of India for the construction of the Railway line recommended by the District Development Council, Tiruchirappalli North.

- 24 23rd September 1960. Resolved to recommend to Government to take up Kumbakonam — Jayankondam—Virudachalam road under State Highways.
- The road from Kumbakonam. Jayakondam and on to Virudachalam comes in the Districts of Thanjavur, Tiruchirappalli and South Arcot and it is already a Government MDR. The request of the District Development Council is to upgrade this road as a State Highways as it leads to Nagapattinam Port on one side and Neyveli Lignite Project on the other. As there are already alternative routes proposed to be upgraded as State Highways under second All India Road Development Plan, viz., (1) Villupuram to Adiramapattinam (via) Sathiahope and Kuntakomam and (2) Tiruchy-Chidambaram (via) Javankondam and Sathiahope and (3) Nagapattinam, Thanjavur, Tiruchy (existing State Highways) serving the needs of the Region, the proposal to classify the above as State Highways was not considered necessary.
- 25 23rd September 1960. Resolved to address Government to open an Ambar Unit for Jayankondam area.
- The matter is being examined in consultation with the State Khadi and Village Industries Board.
- 26 18th November 1960. Resolved to address Government to allot the amount required from out of 10 lakhs of rupees placed at the disposal of the Chief Engineer (H), Madras for 1961-2 for the purpose of maintaining the Panchayat and Panchayat Union Roads in G.O. Ms. No. 650, Local Administration dated 9th April 1960.
- The sum of Rupees ten lakhs sanctioned in G.O. Ms. No. 650, Local Administration, dated 9th April 1960 is for improvement to the non-bus route roads of District Boards in 1960-61 so as to bring that at Government cost to a tolerably good condition before they are handed over to Panchayat Unions or Panchayats. Out of this a sum of Rs. 1,14,899, has been allotted to Tiruchirappalli district. As the improvements to be carried out are in the nature of repairs to be executed by the Highways and Rural Works Department debiting the entire expenditure to "50 d. repairs—Highways Department-Miscellaneous" the question of setting about a sum of Rupees 1.5 lakhs to the seven Panchayat Unions formed in the Tiruchirappalli district separately does not arise and the Collector has accordingly been informed that the request cannot be complied with.
- 27 17th January 1961. Resolved to urge on Government the urgent need for the inclusion of Marudaiyur Scheme in the Third Five-Year Plan and commence work in 1961 giving top priority as usual for pro-

viding irrigation and developing the backward taluk of Jayankondam.

28 17th January 1961.

Resolved to request to give the required opinion to Railways to undertake the Scheme of constructing an over-bridge on the bridge on the Level crossing in Coleroon road at Lalgudi.

The level crossing referred to is situated at M. 0/2 of Sirudaiyur Lalgudi road in charge of Lalgudi Panchayat. An over-bridge is necessary for the communication between the two towns, Sirudaiyur and Lalgudi on either side of the level crossing. The rough cost of construction of an over-bridge would be Rupees 2 lakhs. This work was not proposed to be taken up under any scheme since more important works had to be taken up yet.

29 17th January 1961.

Resolved to include the Ellakurichi Ferry ghat of Udayarpalayam taluk in the list of Ferry leases with the approval of Government.

The matter is under consideration of Government in the Public Works Department in consultation with the Board of Revenue.

30 18th November 1960.

Resolved to request Government to open a new Sub-Registrars' Office at Sendurai.

In G.O. Ms. No. 29 Revenue, dated 2nd January 1962 Government have sanctioned the opening of a Sub-Registry office at Sendurai.

31 27th February 1962.

Resolved to press on Government to implement the scheme of extension of Marudaiyur Channel Scheme up to Kudikadu village so as to get irrigation facilities when executing the Marudaiyur Reservoir Project the execution of which in Third Five Year Plan is reiterated.

The scheme has been deferred in view of its prohibitive cost and poor return (G.O. Ms. No. 1577 Public Works Department dated 19th June 1961).

32 27th February 1961.

As Jayankondam Taluk has many High Schools and as it is far removed from the Tiruchi Town where college facilities are available, it is resolved to recommend to Government to treat this taluk specially for this purpose and allow two High Schools to be upgraded with XIth standard if necessary Tiruchi Town being derived that facilities for the present to accommodate the above proposal in favour of Jayankondam taluk.

The Collector has been informed in Memo. No. 80979, E3/62-1 Education dated 5th September 1962 that no action is necessary on the resolution as the Government have dropped the proposal of opening higher secondary schools in the State.

33 27th February 1961.

Resolved to urge on Government strongly to sanction one itinerant unit for leprosy relief work for Jayankondam taluk and as that would take some time it was further resolved to allow the Perambalur itinerant unit to do work every month in Perambalur and Jayankondam taluks alternatively.

The Collector has been informed that as the Perambalur Unit is a control unit doing intensive leprosy control work on the principles of the National Leprosy Control Scheme it will not be possible for the unit to work in two taluks as requested by the District Development Council. Proposals for opening of a survey, education and

34 27th February 1961.	Resolved to request the Government to sanction an additional Radio Supervisor for Jayankondam taluk as the present arrangements of making two or three supervisors at different stations attending to some portions of the taluk is not satisfactory.	As the question regarding reorganising the Radio Maintenance Organisation was under consideration at the time, no action was taken in regard to the appointment of a Radio Supervisor.
35 27th February 1961.	Resolved to request Government to remove the difference in the charges for electric-current supplies and also the rates per horse power in the Electricity Board area and licensee area. Resolved also to request Government to direct supply of current in a fortnight in respect of over head tank.	The Government have intimated in their Memo. No. 3721/B/61-2, dated 19th November 1961, that as the Perambalur Taluk is not a backward area the agricultural consumers in the Departmental areas in Perambalur taluk have to pay a special guarantee of Rs. 45/- per horse power per annum. The Government have further informed that the consumers of Jayankondam in Udayarpalayam taluk will have to pay only Rs. 35/- per horse power per annum as it has been declared as backward area.
36 27th February 1961.	As Gypsum is available in large quantities in Tiruchy District resolved to request Government to start another fertiliser producing factory under contemplation and to take necessary steps for the same.	Government do not propose to start a fertiliser factory in the public sector. The Assistant Director of Industries and Commerce Tiruchirappalli has already informed the collector of Tiruchirappalli that the exploitation of gypsum available in Tiruchirappalli will be costly and it cannot be utilised for the manufacture of chemical fertilisers.
37 27th February 1961.	Resolved to request Government to instruct the Khadi and Village Industries Board to sanction three Ambar Charka Units one for Jayankondam, one for Manappalli and the third for Turaiyur.	The matter is being examined in consultation with the State Khadi and Village Industries Board in the Food and Agricultural Department.
38 28th March 1961.	Some Blocks like Tiruvelambur, Manikandam, etc. grouped in 'A' stand to lose on account of their population, their ryots being residents of Towns like Tiruchy	In Memo. 39 25th March 1961.	Resolved to request the Government to instruct Director of Public Instruction Madras to issue orders to the Officers of the Education Department in modification of Director of Public Instruction's circular D. Dis/713/61, D—8, dated 8th February 1961 to notify the dates of monthly teaching Association meetings to the concerned Panchayat Union Commissioners so that the latter or their Social Education Organisers or both may attend the Teachers meetings if they desire.	Necessary instructions in the matter have been issued in the proceedings of the Director of Public Instruction Re. No. 548/B1/61 dated, 11th May 1962.
40 25th March 1961.	Resolved to request Government to set apart at least one crore out of Special Minor Irrigation programme grant for Third Five-Year Plan for the Execution of the plans and estimates and proposals sent by the Special Minor Irrigation Programme staff for several schemes sponsored for the district and ready for execution. Resolved also that one of the list of Four schemes referred in A or B priority in this District ordered to be taken in the Third Five-Year Period.	It has been found not feasible to take up any scheme in Tiruchirappalli District during the Third Plan.
41 25th March 1961.	Resolved to request the Government to instruct the Medical Stores Depot, Madras to intimate immediately those Medicines included in the indent of Local Fund Dispensaries but not available in Medical Stores Depot, Madras to enable prompt local purchase.	The Collector has been informed that the procedure suggested by the District Development Council is already in force.
42 17th April 1961.	Resolved to report to Government that this District being very backward all the four Irrigation Schemes which are likely to confer substantial benefit on this District be taken up for execution in the Third Five Year Plan.	It has been found not feasible to take up any scheme in Tiruchirappalli District during the Third Plan.
43 17th April 1961.	To request Government to sanction express Bus Service for 1 and for item 3 modified as Trichy to Chidambaram (via) Ariyalur, Jayankondam,	The Transport Commissioner recommended the proposal of the Planning and Development wing to open the new route Tiruchirappalli to Chidambaram

(via) Lalgudi, Dalmiapuram, Kilapalur, Ariyalur, Jayankondam, Meenurutti, Kamaragudi, Sathiatore and Keervapalayam (198 miles) with two express buses. The Transport Commissioner was asked to follow the procedure laid down in G.O. Ms. No. 2467, Home dated 20th July 1962 viz. of notifying the proposal in the district Gazettes, hearing the objectors and to forward the record of hearing together with his remarks thereon. He has taken action accordingly. His final report is awaited.
44 17th April 1961.	To request Government to instruct Chief Engineer to consider the proposal of constructing a new channel so as to fill up the tanks of Pidaramangalam and Nagayanallur during Rainy season connecting from Nagayanallur vaikal (v/a) Oduvathur, Nagappa Mudaliputhur, Moogipatti, Karukamada, G. napahipalayam and Seethapatti in Musiri Taluk as a partial contribution scheme from ryots.	The Chief Engineer. (1) has reported that as the lands for which irrigation facilities are asked for, lie on a higher contour and as no more ayacut under Cauvery is considered desirable the request is not feasible. The matter is under consideration in consultation with the Board of Revenue.
45 17th April 1961.	To resolve that new Panchayats formed recently should be helped with some reasonable advance to meet their day to day expenses.	In G.O. Ms. No. 1186 R.D. and L.A. dated 21st April 1961 Government have sanctioned a sum of Rs. 100 as advance to the new Panchayats formed during 1960, to enable them to meet the initial administration expenditure.
46 17th April 1961.	To request Government to start a Heavy Industry under State Sector in Tiruchirappalli District and in this view the proposed Heavy Electrical Industry if organised at Tiruchirappalli for which suitable site and other conditions are already available will be useful.	Active steps are being taken by the Government of India to sept up a high pressure boiler manufacturing unit on the outskirts of Tiruchirappalli at an estimated cost of Rs. 25 to 30 crores.
47 17th April 1961.	To request (Government to reconsider their order deferring opening of Sub-Registrar's office at Sendurai this year particularly in view of the fact that private building is made available for housing the office.	In G.O. Ms. No. 29, Revenue, dated 2nd January 1963, Government have sanctioned the opening of a Sub-Registry office at Sendurai.
48 20th May 1961.	To request Government to sanction the proposal about metalling Sendurai Unjini Udayarpalayam road for one lakh required for this work sent by the Divisional Engineer (Highways), Tiruchirappalli North about three months back.	This has been included in the Central Road Fund schemes under consideration of Government.

49 29th May 1961.	To recommend to Government to fix Andanallur as the Head Quarters of Srirangam Block as resolved by Block Advisory Committee.	Collector has been requested to place it before the Panchayat Union Council and forward its views to Government.
50 22nd June 1961.	Resolved to remind Government about the opening of a Leprosy Clinic at Udayarpalayam taluk as resolved at the district Development Council meeting held on 27th February 1961.	In G.O. No. 23 Health dated 3rd January 1963 orders have been issued sanctioning the establishment of a Survey Education and Treatment unit at Udayarpalayam.
51 22nd June 1961.	Resolved to request Government to amend Estate Abolition Act to embrace 11 cases and take over Inam Padavur Village under Ayan.	The matter is under consideration of Government. Necessary legislation has been introduced in the Legislative Assembly and has been referred to a Joint Select Committee.
52 22nd June 1961.	Resolved that in the case of the loan-cum-subsidy scheme if the bore is a failure that the cost of the same may be borne by the Government or half the cost of the bore be treated as a loan and recovered in 20 instalments.	The Government, Food and Agricultural Department, Madras have intimated in their Memo. No. 93478/F/III (3) 61/3, dated 1st November 1961 that the ryots may be asked to avail the concession admissible as per Rule 18 (revised) of the rules for the levy of fees for the hire of power drills and borings.
53 22nd June 1961.	Resolved to recommend to Government the distribution of pesticides through selected Co-operative Societies on condition that they should make separate storage facilities. Also resolved to request the Government to continue the existing pattern of subsidy for some time to come.	The Government, Food and Agricultural Department, Madras, have intimated in their Memo No. 35*94/FV/62-2, dated 30th April 1962 that the question of the sale of pesticides, etc., through the medium of Co-operatives is separately under the consideration of the Government and that final orders issued in the matter will be communicated. They have reported that existing pattern of subsidy is being continued throughout the Third Five-Year Plan period.
54 22nd June 1961.	Resolved to recommend the proposal to Government for sanction of permitting the Uppiliyapuram Panchayat Union to take up for execution of the construction of the proposed anicut across Talugai river Koppampatti on half grant loan basis.	The proposals are yet to be finalised by the Chief Engineer (I), Madras.
55 22nd June 1961.	Resolved to recommend to Government to permit the Panchayat Union Commissioner, Lalgudi, to divert village works grant provided for water supply works in the Lalgudi Panchayat Union area for the construction of drainage channels in villages as the entire area is covered by National Water Supply and Sanitation Schemes.	In Memo. No. 147491/P7/71-2, R.D. and L.A.; dated 26th October 1961, the Collector has been informed that the amount available under the village works grant cannot be utilised for constructing drainage works.

61 10th August 1961.

Recommend to Government about the formation of a road from Kilakavattankurichi village in Kilapalur Thirumalavadi Road to Dalmiapuram touching the villages of Karaivatti Sannadur Palangapatham and Dalmiapuram.

The proposed road formation branches at Keelakavattankurichi village in Kilapalur Tirumalavadi Road and leads to Dalmiapuram touching the villages of Karaivetti Seonavar and Palaganatham. A major portion of the formation up to Palagapatham is a committed work of Second Five-Year Plan and the Chief Engineer. (Highways and Rural Works) has submitted proposals for making a provision of Rs. 17,000 for completing the work in the Third Plan. The proposals are under consideration of Government. The remaining bit of formation work from Palaganatham to Dalmiapuram has to be taken up under the Village Works Grant Programme by the concerned Panchayat Unions.

62 10th August 1961.

Resolved to request Government to allow the power drills to be used in the District and particularly in areas where there is water scarcity even for drinking purposes though those areas may be away from river margin.

Instructions have been issued to the Chief Engineer (Highways and Rural Works) for lending the power drills available under the National Water-supply and Sanitation (Rural Scheme) to the State Rural Water-supply works.

65 10th August 1961.	Government to be pressed again for allotting additional funds for housing scheme in Tiruchirappalli district.	In Memo. No. 195284/HW/11/61-4, dated 7th February 1962 the Collector has been instructed to renew his proposal in the matter to the Director of Harijan Welfare for consideration in the year 1962-63.
66 26th October 1961.	To request Government expedite the execution of the causeway work undervented causeway sanctioned in mile 3/3 of Vikaramangalam, Kadambur Road in Udayarpalayam Taluk in 1962-63.	The proposal has been dropped as the Divisional Engineer (Highways and Rural Works), has recently reported that the District Development Council has not recommended the work for execution now.
67 26th October 1961.	Resolved to request Government to have the work of forming a motorable road with causeway across the Odai between Samayapuram and Kariamannicken (via) Akkasaipalli Devimangalam, Kanayakudi included in the list of works for execution in 1962-63 and to request Government to increase the allotment for carrying out these works.	The work of improvement to the road including construction of causway and widening culverts, etc., at a cost of Rs. 4.2 lakhs has been included under the Central Road Fund Scheme which is under the consideration of Government.
68 26th October 1961.	Resolved to request Government to reduce the standards for the works of construction of a Pucca bridge across Koolayar near Thinniam at an estimated cost of Rs. 30,000 in that place and to permit a width of 12 feet instead of 24 feet and to allow this work to be done by the State Highways Department during 1962-63.	This bridge works is required across Koolayar river so as to connect Ambil and Thinnayam (via) Peruthika and it is under the Jurisdiction of Lalgudi Panchayat Union. The rough cost of the bridge with 24 feet roadway will be Rs. 1.50 lakhs. The District Development Council wants to reduce the standard by providing 12 feet width of roadway so that the work may be executed at lesser cost. The rough cost of the bridge with 12 feet roadway will be Rs. 60,000. This is not included in the finalized list of committed works of Second Five-Year Plan. Hence the work has to be proposed only under new works of Third Plan under the Head "Other Roads" if possible by the District Development Council with reference to procedure indicated in paragraph 11 of G.O. Ms. No. 3428, R. D. & L.A., dated 19th December 1961. It is not desirable to reduce the road width to 12 feet.
69 26th October 1961.	Portions of road between Kannarkudi and Vandalakudalur and Thoppali at Dalmiapuram have to be taken up as new schemes in the Third Five-Year Plan.	As this is a new road formation this has to be taken up only by the concerned Panchayat Union under the village works programme.
70 26th October 1961.	Resolved to address Government for special allotment of loan for pumpsets in (1).	As a special allotment of Rs. 50,000 was sanctioned by the Collector of Tiruchirappalli to the Block

71 28th December 1961.	Resolved unanimously to adopt the three resolutions which were passed at the Panchayat Conference Madsas held on 8th and 9th October, 1961 as per G.O. Ms. No. 2443 R D. and L.A. Department dated 7th September 1961.	No orders required.
72 28th December 1961.	Resolved to move Government to raise the allotment for (1.) Tiruchirappalli Drainage Scheme, (2.) Tiruchirappalli water supply Improvement Scheme to 80 lakhs to enable the completion of these two schemes during the next five year commencing from 1962-63 as the estimated amount is Rs. 53-80 plus 25 lakhs or 78-80 or 79 lakhs respectively.	Action has already been taken to provide adequate funds both for Water-supply and drainage schemes in Tiruchirappalli Municipality and the Collector has been informed accordingly in Memo. No. 16653/H6/62-1 Health dated 20th June 1962.
73 28th December 1961.	Resolved to urge on Government to advance adequate loan to the South Madras Electrics Supply Co. to enable the latter to extend electricity to the villages in Tiruchirappalli, Kulitalai, Perambalur, and Lalgudi Taluks mentioned in Government's reply to question No. 4302 on the floor of the Assembly on 14th December 1961.	In G.O. Ms. No. 824, P.W.D., dated 23rd March 1962 the Government have sanctioned a loan of Rs. 1,94,114 to the South Madras Electric Supply Corporation Limited, for taking up rural electrification works in Tiruchirappalli district.
74 28th December 1961.	To press Government to extend irrigation from New Kattalai High-Level Channel to Valavandakottai, etc., villages mentioned in the original project report as they are commanded by the canal.	It may not be possible to include these villages under ayacut of Kattalai High-Level Channel as the ayacut has already been fixed.
75 28th December 1961.	Recommended to Government about taking up the maintenance of Samayapuram Manachanallur Road by Highways Department widened and tarred.	The Samayapuram-Manachanallur Road has since been taken over by the Government under the bus route road scheme for 1962-63 for maintenance and improvement.
76 28th December 1962.	To approve the proposal for changing the nomenclature of work of constructing a bridge at mile 9/7 of V. Kalathur—Kaikalathur road.	The change of nomenclature has been approved in Government Memo. No. 7704/P3/62-2, dated 12th February 1962.
77 28th December 1961.	Government to be addressed through Inspector-General of Police about establishing a police out-post at Veppur	The question is being examined by Government in the Home Department in consultation with the Inspector-General of Police.
